OFFICE OF VICTIM ADVOCATE

*Giving Crime Victims a Voice*

*Courage • Strength • Resilience*

**FOR PLANNING PURPOSES ONLY**

**September 21, 2018**

**ADVISORY – Norristown, Montgomery County  
State Victim Advocate to Host Community Impact Session  
with Cosby Victims**

Commonwealth Victim Advocate Jennifer Storm invites the media to hear directly from victims/survivors in this empowering event, immediately following the sentencing hearing of Bill Cosby.

Impact statements will be shared by victims/survivors on their experience and what it has meant to see these crimes come to light.

Joining this group of courageous individuals, Jennifer Storm will share specifics on the rights of crime victims post-sentencing, which includes the right to notifications about their offender. The role of the Office of Victim Advocate is not only to advocate for further and inclusive rights for crime victims, but also to facilitate notifications to victims as their offender moves throughout the post-sentencing process.

For general questions about victims' rights or the Office of Victim Advocate, please contact the Victim Advocate directly at the number listed below.
