

OVA Regional Training Agenda

8:15 Registration

Get signed in and network with colleagues and OVA staff.

General OVA 9:00

An overview of all services and programs offered by OVA to victims and the community.

Get an insider's look at how victim registration works for services and SORNA notifications.

11:00 ACP

The Address Confidentiality Program provides an additional safety mechanism for clients also receiving SORNA notifications. This includes victims of sexual assault, stalking and domestic violence. ACP provides a substitute address for government, school and court documents, making it more difficult for their perpetrator to find them.

Lunch 12:00

Lunch is on your own - pack a lunch or enjoy an hour out and about in the city! Use this time to further network with colleagues from your region and across the state.

1:00 SORNA Part 1

The Sex Offender Registration and Notification Act has been influenced by Megan's Law, the Adam Walsh Act and now Act 10 and Act 29.

SORNA Part 2 2:00

Dive into a history overview and learn how these laws and notifications can be used to enhance safety and healing.

4:00 Wrap Up

This is your chance to ask additional questions and provide feedback on the training.
