

new offering
HOMICIDE GRIEF SUPPORT GROUP

through

in partnership with

Start Date: Thurs, September 2, 2021 (weekly thereafter)
Time: 7:00 - 8:30 pm EST
Location: virtually on Zoom

NAMI Philadelphia and the PA Office of Victim Advocate are partnering to bring you a free, confidential, peer-led support group for loved one(s) of homicide victims. Give and receive hope to yourself and others.

Pain shared is strength gained.

While this is a peer-led support group, there will also be a therapist on call during each group session.

In order to attend this private group, send an email to Amy Federer at afederer@pmhcc.org. Please include "Homicide Grief Support Group" in the subject line. In the body of the text include:

- your name
- phone number
- best email address
- emergency contact name and phone number

You will then receive an email from Amy with the Zoom link and password for the next session.
